

Suspect a natural gas leak?
 First, move your feet!
 Then call when you're down the street.

CROSSWORD PUZZLE

ACROSS

1. Like coal and oil, natural gas is a _____ fuel.
3. The natural gas we use today was formed more than 200 million _____ ago.
5. Many people use natural gas to _____ their home, cook dinner and wash their clothes.
6. If you smell natural gas at home, you should _____ right away!
7. Natural gas companies check your _____ _____ to see how much natural gas your family has used.
9. Natural gas travels through long _____ to reach homes, schools and businesses.

DOWN

2. When playing outside, tell an adult right away if you ever _____ blowing dirt, water with bubbles in it, or an area of dead leaves and plants surrounded by live ones. It might be a natural gas leak!
4. Natural gas companies add a chemical that smells like _____ _____ to help you detect gas leaking into the air.
5. A gas leak also might make a hissing sound (like a snake!) you can _____.
8. Once you've left your house, tell a grown-up to _____ your natural gas company or 9-1-1 from his or her phone.
